| LIST OF ILLUSTRATIONS .....                                                                                           | vii |
| INTRODUCTION .....                                                                                                    | 1   |
| PREFACE .....                                                                                                         | 5   |
| 1. DOUBLE IMAGE/AFRICAN INSIGHT .....                                                                                 | 16  |
| <i>The filter of an African culture can increase depth,<br/>perception and the texture of Scripture understanding</i> |     |
| Why the Sower Weeps .....                                                                                             | 18  |
| Ears to Hear .....                                                                                                    | 25  |
| Hold It Lightly .....                                                                                                 | 32  |
| 2. DIFFICULT PASSAGES ILLUMINATED .....                                                                               | 38  |
| <i>Western society, by nature, obscures certain biblical<br/>lessons</i>                                              |     |
| The Eyes of an Old Man .....                                                                                          | 40  |
| Christ the Fisherman.....                                                                                             | 44  |
| To Know But Not Show .....                                                                                            | 49  |
| Mane Sugri .....                                                                                                      | 53  |
| Mane Sugri (Part II).....                                                                                             | 57  |

|                                                                                                                                  |  |
|----------------------------------------------------------------------------------------------------------------------------------|--|
| 3. CULTURAL FILTERS INHIBIT CLEAR PERCEPTION ...62                                                                               |  |
| <i>Individualism, equality, youth-cult, etc.—though perhaps good North American values—may keep us from some biblical truths</i> |  |
| Making Friends with Mammon.....64                                                                                                |  |
| Inequality in God's Measure.....68                                                                                               |  |
| Not for Little Kids.....74                                                                                                       |  |
| Deo Volente.....79                                                                                                               |  |
| Olungawema.....83                                                                                                                |  |
| A Look at the Birds.....90                                                                                                       |  |
| 4. FAITH AND THE SUPERNATURAL .....96                                                                                            |  |
| <i>Take a step back into the unscientific world of the Scriptures</i>                                                            |  |
| Lion Dust.....98                                                                                                                 |  |
| Tolerance for Tares.....102                                                                                                      |  |
| Thomas and "Kiima".....108                                                                                                       |  |
| Conceptualizing Spiritual Power.....113                                                                                          |  |
| 5. FAMILY/RELATIONSHIPS .....117                                                                                                 |  |
| <i>When people are more important than things</i>                                                                                |  |
| Brotherhood and Things.....120                                                                                                   |  |
| Breathing and Brothers.....125                                                                                                   |  |
| Brotherhood.....129                                                                                                              |  |
| Full Stomachs from Distant Friends.....132                                                                                       |  |
| No Stomachs.....137                                                                                                              |  |
| Inside the Wall.....142                                                                                                          |  |
| What Is a Brother?.....145                                                                                                       |  |
| 6. COMMUNICATIONS/WORD POWER.....149                                                                                             |  |
| <i>Does print literacy bias make the "oral/aural" world of less importance?</i>                                                  |  |
| Drum Talk.....151                                                                                                                |  |
