

A thousand thank-yous to Alan Wartes for his insights, research, and editorial expertise—a truly skilled and steadfast partner in this project. Jenny Mertes and Karen Linamen also made valuable contributions to the manuscript, talented word wizards both. Christopher Soderstrom of Bethany House employed a deft hand and cool head under less-than-ideal circumstances.

We owe a debt of gratitude to those who shared their stories—those who appear in the final manuscript and those who don't. The openness of everyone who talked about their experiences is genuinely appreciated.

Many thanks to my family—Robin, Juliana, and Logan—for patience and perseverance above and beyond the call of duty.
