STRONGHOLDS...

Introduction by C. Peter Wagner 11

"Spiritual mapping is an attempt to see the world around us as it really is, not as it appears to be."

PART I: THE PRINCIPLES

1. An Overview of Spiritual Mapping 29

George Otis, Jr.

"If we are to understand why things are the way they are today, we must first examine what happened yesterday. We must solve the riddle of the origin of territorial strongholds."

2. The Visible and the Invisible 49

C. Peter Wagner

"Spiritual mapping helps us know when we begin to glorify the creature rather than the Creator. It reveals the invisible powers, both good and evil, behind visible features of everyday life."

- 3. Dealing with Strongholds**, Cindy Jacobs 73
"A 'stronghold' is a fortified place that Satan builds to exalt himself against the knowledge and plans of God. Satan cleverly cloaks strongholds under the guise of 'culture.'"

- 4. Spiritual Mapping for Prophetic Prayer Actions** 97
Kjell Sjöberg
"We can pray in the Spirit and get information from the Holy Spirit, but we must also pray with our understanding. The basic concept of spiritual mapping is that we need to be as well informed as possible when we are praying."

PART II: THE PRACTICE

- 5. Defeating the Enemy with the Help of Spiritual Mapping**, Harold Caballeros 123
"Spiritual mapping is a means toward identifying the enemy. It is our spiritual espionage."

- 6. Practical Steps Toward Community Deliverance** 147
Bob Beckett
"For a community to know true deliverance from its ruling spirits of religious apathy, financial stinginess, occult idolatry and the like, it has to start with Christian leaders making a commitment to the people and the land."

- 7. Evangelizing a City Dedicated to Darkness** 171
Victor Lorenzo
"It is biblical to be aware of the 'wiles of the devil,' and spiritual mapping helps us to do that."

PART III: APPLICATION

- 8. Mapping and Discerning Seattle, Washington** 197
Mark McGregor and Bev Klopp
"We have sought to bring needed changes to Seattle through prayer and reconciliation."
Section I: Mapping Seattle, Mark McGregor 198
Section II: Discerning Seattle, Bev Klopp 213

- 9. Summary: Mapping Your Community** 223
C. Peter Wagner
"In mapping a community, the first step is to gather the information and the second step is to act on the information. The prayer action will be more effective if it is based on solid information."
