## HYMN

|   |     |
|---|-----|
| Rank by rank again we stand . . . . .             | 465 |
| Ring out, wild bells, to the wild sky . . . . .   | 149 |
| Say not, 'The struggle naught availeth' . . . . . | 306 |
| Say not they die, those martyr souls . . . . .    | 429 |
| The crest and crowning of all good . . . . .      | 350 |
| The morning hangs a signal . . . . .              | 90  |
| These things shall be, a loftier race . . . . .   | 360 |
| We go not on a pilgrimage . . . . .               | 265 |
| We lift our hearts in thanks today . . . . .      | 12  |
| When courage fails, and faith burns low . . . . . | 238 |
| Wherever through the ages rise . . . . .          | 442 |
| Where is our holy church? . . . . .               | 412 |
| Who is thy neighbor He whom thou? . . . . .       | 283 |
| Wisdom hath treasures greater far . . . . .       | 273 |
| Wonders still the world shall witness . . . . .   | 352 |
| Years are coming, speed them onward . . . . .     | 554 |

## God in the Soul

|  |     |
|--|-----|
| Behold a Sower! from afar . . . . .                    | 74  |
| Breathe on me, Breath of God . . . . .                 | 59  |
| Bring, O morn, thy music . . . . .                     | 8   |
| Come, mighty Spirit, penetrate . . . . .               | 49  |
| Come, thou Almighty Will . . . . .                     | 47  |
| Creator Spirit, by whose aid . . . . .                 | 61  |
| Father, thou art calling . . . . .                     | 18  |
| Father, thy wonders do not singly stand . . . . .      | 41  |
| From heart to heart, from creed to creed . . . . .     | 54  |
| Go not, my soul, in search of him . . . . .            | 58  |
| God is in his holy temple . . . . .                    | 23  |
| God of the earth, the sky, the sea . . . . .           | 28  |
| Hath not thy heart within thee burned . . . . .        | 109 |
| Holy Spirit, Light divine . . . . .                    | 68  |
| Holy Spirit, source of gladness . . . . .              | 3   |
| I cannot find thee. Still on restless pinion . . . . . | 72  |
| I' sounds along the ages . . . . .                     | 76  |
| Let my life be hid in thee . . . . .                   | 223 |
| Life of ages, richly poured . . . . .                  | 337 |
| Life of all that lives below . . . . .                 | 53  |
| Light of ages and of nations . . . . .                 | 75  |
| Love divine, all loves excelling . . . . .             | 50  |
| Mysterious Presence, source of all . . . . .           | 63  |
| O God, O Spirit, Light of all that live . . . . .      | 69  |
| O God, whose presence glows in all . . . . .           | 60  |
| O Holy Spirit, enter in . . . . .                      | 493 |
| O Life that maketh all things new . . . . .            | 416 |
| O Love divine, whose conscant beam . . . . .           | 56  |
| O Name, all other names above . . . . .                | 242 |
| O Thou, in all thy might so far . . . . .              | 241 |
| O Thou whose spirit witness bears . . . . .            | 52  |
| One thought I have, my ample creed . . . . .           | 77  |
| Our God, our God, thou shinest here . . . . .          | 9   |
| Rise, my soul, and stretch thy wings . . . . .         | 62  |
| Spirit divine, attend our prayer . . . . .             | 55  |
| Spirit of God, descend upon my heart . . . . .         | 48  |
| Spirit of Truth, who makest bright . . . . .           | 57  |
| The light pours down from heaven . . . . .             | 408 |
| The Lord is in his holy place . . . . .                | 73  |
| Thirsting for a living spring . . . . .                | 221 |
| Thou Life within my life, than self more . . . . .     | 81  |
| Thou whose spirit dwells in all . . . . .              | 65  |
| 'Where is your God?' they say . . . . .                | 71  |
| Who dares to bind to his dull sense . . . . .          | 368 |

## The Love of God

|   |     |

| I look to Thee in every need . . . . .                | 258 |
| Immortal love, forever full . . . . .                 | 80  |
| In heavenly love abiding . . . . .                    | 249 |

| Love divine, all loves excelling . . . . .            | 50  |
| Love of love, and Light of light . . . . .            | 220 |

|   |     |
|---|-----|
| New every morning is the love . . . . .         | 98  |
| O Love divine, of all that is . . . . .         | 51  |
| O Love of God, how strong and true . . . . .    | 84  |
| O Love that wilt not let me go . . . . .        | 243 |
| O Source divine, and Life of all . . . . .      | 26  |
| O Thou, in all thy might so far . . . . .       | 241 |
| Souls of men! why will ye scatter . . . . .     | 556 |
| The King of Love my shepherd is . . . . .       | 87  |
| Thou Grace Divine, encircling all . . . . .     | 224 |
| Thou hidden love of God, whose height . . . . . | 82  |
| Who fathoms the Eternal Thought? . . . . .      | 78  |

| Abide with me, fast falls the eventide . . . . .  | 127                               |
| Again, as evening's shadow falls . . . . .        | 119                               |
| All praise to thee, my God, this night . . . . .  | 110                               |
| Father, again to thy dear name we raise . . . . . | 126                               |
| God that madest earth and heaven . . . . .        | 100                               |

| He who himself and God would know . . . . .       | 106                               |
| Now God be with us, for the night is . . . . .    | 116                               |
| Now on land and sea descending . . . . .          | 111                               |
| Now the day is over . . . . .                     | 128                               |

| Slowly by thy hand unfurled . . . . .             | 114                               |
| Softly now the light of day . . . . .             | 113                               |

| 'Tis gone, that bright and orb'd blaze . . . . .  | 108                               |
| Unheard the dew around us fall . . . . .          | 115                               |
| When shadows gather on our way . . . . .          | 125                               |
