

ABOUT THE AUTHORS

Dr. Larry Gilbert is founder and chairman of Ephesians Four Ministries, the parent organization of Church Growth Institute. He is a published author, a seminar speaker, a contributing editor with *Strategies for Today's Leaders* magazine and has served as visiting professor at the Billy Graham School of Missions, Evangelism and Church Growth; Liberty Baptist Theological Seminary; and Mid-America Theological Seminary. His Team Ministry Spiritual Gifts Inventory has been used by three million people and has been printed in four languages.

Larry and his wife, Mary Lou, reside in Maryland. They have an empty nest after raising a daughter and two sons. They have welcomed a son-in-law, daughter-in-law and one grand-daughter to their family tree.

Mrs. Cindy Spear is administrator and resource development director for Church Growth Institute. She is a published author with 20 years experience in the editorial and publishing field. She previously served as coordinating editor for *Fundamentalist Journal*, a monthly magazine published from 1982 through 1989 by "The Old-Time Gospel Hour" in Lynchburg, Virginia. She enjoys serving in women's ministry, where she taught for nine years and is currently a care-group leader.

Cindy and her husband, Doug, reside in Virginia. They have a teenage son and preteen daughter at home and a daughter, son-in-law and grandson who live nearby.

Church Growth Institute: Ephesians Four Ministries was established in 1978 with the goal of helping pastors equip the laity to do the work of the ministry (see Eph. 4:11-12) and gave birth to the Church Growth Institute (CGI) in 1984. CGI quickly grew to become a major seminar presenter for church leaders and a mail-order supplier of church-growth materials throughout the United States. Today, these resources are found around the world. The CGI mission is to provide practical resources to help pastors, churches and individuals reach their potential for Christ; to promote spiritual growth in churches, thereby leading Christians to maturity and lost people to Christ; and to equip pastors, so they can equip their church members to do the work of the ministry. Visit www.churchgrowth.org for more information about the organization and their products.
