

Color Your World with Natural Church Development

An invitation to join a global movement	5
---	---

Chapter 1: Explore the Second Chapter of NCD

Your dream church	10
Startling results from 70 countries	12
The NCD Story	14
"I have done NCD"	17
What is your favorite growth pattern?	19
Natural Church Development and spiritual unity	23
The qualitative approach—often criticized, seldom understood	25
Why we need to learn from other cultures	28
NCD in an age of hype	33
Who is your hero: David or Goliath?	36
Why all of us need to check our "spiritual glasses"	39
Information, application, transformation—what's needed most? ..	41

Chapter 2: The Trinitarian Compass

My personal "trinitarian pilgrimage"	46
The center of theology	48
You can reflect God's light	49
How God communicates with you	51
Let's strive for spiritual balance	54
The New Jerusalem—descending to earth	56
Why Christianity is in such a bad state today	58
What you can learn from green churches	60
What you can learn from red churches	62
What you can learn from blue churches	64
Five rules of the Trinitarian Compass	66
The Trinitarian Compass and the doctrine of the Trinity	69
The NCD Color Profile	72
Your spiritual roadmap	77

Chapter 3: The Principles

Principles—the inflation of a term	82
Understanding "all by itself" growth	84
Two different sets of principles	87
Six growth forces	89
Growth force 1: Interdependence	92
Growth force 2: Multiplication	94
Growth force 3: Energy transformation	96
Growth force 4: Sustainability	98

Growth force 5: Symbiosis	100
Growth force 6: Fruitfulness	102
Eight quality characteristics	104
Quality characteristic 1: Empowering leadership	106
Quality characteristic 2: Gift-based ministry	108
Quality characteristic 3: Passionate spirituality	110
Quality characteristic 4: Effective structures	112
Quality characteristic 5: Inspiring worship service	114
Quality characteristic 6: Holistic small groups	116
Quality characteristic 7: Need-oriented evangelism	118
Quality characteristic 8: Loving relationships	120
How to apply these principles	122

Chapter 4: The Minimum Factor

Where the minimum factor applies—and where it doesn't	126
Learning from a potted plant	128
The image of the minimum barrel	130
Application 1: Quality characteristics	132
Application 2: Trinitarian Compass	135
The minimum factor within a minimum factor	138
Minimum factors of denominations	140
Minimum factors of whole cultures	142
Why I like to disappoint expectations	144

Chapter 5: The Tools

"Do we really need these tools?"	148
The basic NCD books	150
The NCD Survey	152
NCD Discipleship Resources	155
NCD National Partners	158
NCD International	160
The NCD Web Sites	162
The NCD Campaign	164

Chapter 6: Your Starting Point

Identify your starting point	168
Strive for balance in your own life	173
Invest in a more balanced church	176
Your next step	182

Appendix:

Suggestions for studying this book within an NCD Campaign	184
